

Custom Heavy Duty Hard Case

100% Made in USA

Virtually indestructible, EWT's rugged hard case has innovative features for unmatched strength and durability. It is o-ring sealed, waterproof up to a depth of 3 feet. It's airtight, and built to withstand the most extreme conditions.

Our cases are great for airline travel with an automatic pressure equalization valve. Spring release latches lock in place. Lock holders are great for use with pad locks for added security. Custom cut foam offers an extremely tailored, custom fit for gear. Stackable, finger groove on each side for easy pick up and carry.

Key Features:

- Waterproof and airtight (up to a depth of 3 feet)

- Lock holders
- Rugged handle
- Inside dimensions: 12.27" x 9.27" x 5.23"
- Outside dimensions: 13.5" x 11.5" x 6"

Warranty:

Manufacturer fully warrants against defects in materials and workmanship for the life of the case by the original owner. The case is guaranteed to be water resistant up to 3 feet under water for 30 minutes. The warranty does not cover the foam or any contents of the case. Liability to manufacturer is limited only to the case and no contents. Case must be properly closed with no defects or damage to the o-ring gasket or valve to fully cover warranty. If the case breaks manufacturer will replace at no cost to you as long as you are the original owner of the case. Damaged handles, latches, valves, and gaskets can all be replaced in the field and will be supplied at no charge in the case of any defect. To request parts you must have original receipt or purchase agreement and must have a return authorization number from the manufacturer or place of purchase. All warranty claims of any nature are barred if the carrying case has been altered or changed in any way.
